innovations in fine hotels, events and dining

Pai Hotels are located all over Bangalore and Mysore. With over 40 years industry experience and supremacy in the field of hospitality, the Pai Group has rapidly expanded its collection of star and economy class hotels. Amidst growth of city hotels, the Pai group continues to reshape perception among its guests and remains the visionary leader. With our commitment to pace-setting innovation, focused service, dedicated team support, dynamic sales and distribution system and strong traveler loyalty, the result has been unprecedented industry success.

A key factor in the success of the Pai Group of Hotels has been the location of our hotels for corporate and leisure travelers from India and abroad.

Offering contemporary rooms, innovative dining, pleasant entertainment, instant connectivity and personalized services, our hotels come together to pamper you with luxury and comfort.

eco-friendly initiatives

Pai Group of Hotels constantly work towards sustaining resources for the well-being of our guests through innovative processes of energy saving key cards in guest rooms, eco-friendly cleaning agents, waste treatment plants, solar heating, rain water harvesting, waterless urinals, dedicated non-smoking floors, sound proof windows and glasses.

plan events at Pai

With 11 meeting rooms measuring a total of 25,000, Pai Hotels have ample space for group events and meetings. For even larger gatherings, Pai Vista Convention Hall with a seating capacity of 1500 meets all requirements for our guests.

food festival

Seafood festival at The President Hotel during April 2011.

new property

The wait is finally over. The Pai Group of Hotels prepares to debut in the temple town of Tirupathi for your extended comfort.

more rooms

Contemporary rooms in Pai Hotels now total 500 with choice offerings from business class to luxury and suites.
